

2/19/2021

Dear Parents,

As the numbers of COVID 19 in Yakima county stay high we need to insure that parents understand when to keep their child home in accordance with CDC, and the Washington State Department of Health guidelines.

**1. If your child is sick keep them home.**

**2. If your child has any of the following symptoms please keep them home.**

\*Fever of 100 or higher

\*Shortness of breath or difficulty breathing

\*Cough

\*Unusual fatigue

\*Congestion or runny nose

\*Chills

\*Nausea or vomiting

\*Headache

\*Sore throat

\*Diarrhea

\*New loss of taste or smell

\*Muscle or body aches

**3. If your child tests positive for COVID 19 please contact us immediately. Keep them home for 10 days from onset of symptoms. Your child may return to the center after the 10 days have passed and they have been without a fever for 24 hours without fever reducing medication and symptoms have improved.**

**4. If your child lives with someone who has tested positive for COVID 19, keep your child home for 20 days from onset of symptoms of the person who tested positive.**

**5. If your child has been in close contact with someone who has tested positive for COVID 19 keep them home for 10 days since last exposure.**

**According to CDC requirements, any child age 5 or older must wear a mask.**

If we find that one of our children or staff, who has been in close contact with your child, tests positive for COVID 19 we will notify you immediately. I understand and agree to abide by these guidelines. Tuition is paid to hold your child's space in their program and will not be reimbursed due to non attendance.
